

**QC Kinētix®**  
NON-SURGICAL REGENERATION

**DO YOU SUFFER FROM PAIN? HAVE YOU BEEN TOLD SURGERY IS YOUR ONLY OPTION? THERE'S A BETTER ALTERNATIVE...**

## ABOUT US

Joint pain can be a painful and debilitating condition. If you suffer from joint pain and are looking for ways to get relief, you may be interested in non-surgical regenerative medicine near me. As your partner, QC Kinetix (Marietta) provides the best regenerative medicine treatments to help you get relief from your joint pain, including knee pain treatment, hip replacement alternatives, elbow pain treatment, wrist pain treatment, arthritis pain treatment, and shoulder pain treatment. Our medical team is here to help you get the relief you need without undergoing surgery for joint replacement or other invasive procedures. Our professionals are highly trained in the latest regenerative medicine treatments to provide care for patients with joint pains due to workplace injuries, athletic joint traumas, and lifestyle habits. Our medical team runs diagnostic tests to determine the cause of your joint pain and then treats it accordingly. We do not just treat mere symptoms of joint pain but resolve it from its root causes.

## OUR SERVICES

Non-surgical regenerative treatments for pain associated with sports injuries, arthritis and other musculoskeletal conditions
