ABOUT US

When it comes to hiring the services of a cleaner in the Sydney area, there are many commercial cleaning companies available to help you out. At Clean Group, we focus on consistently delivering outstanding levels of cleanliness and customer care as well as compliance with the highest professional standards. When we started Clean Group 20 years ago, we put in place systems and rigorous training to ensure that every one of our clients experiences consistently outstanding levels of cleanliness, satisfaction, and customer care. Our industry-leading standards make us the leading provider of commercial cleaning in Sydney and across Australia's major cities. A clean office is crucial to the success of your business. Workplaces across Sydney, Australia, and beyond trust us to keep their properties in pristine condition so they can operate at full capacity. And time after time, we deliver on that promise to make sure you get the most out of your space by making it cleaner than ever before.
