

About Us

Langley Recycling Inc. has been a leading scrap metal recycler in the Kansas City area for many years. As your scrap yard near me, we have served both residential and commercial clients with their recyclable scrap metal needs, and we take pride in our ability to help you turn your waste into cash. We have experience working with all types of scrap metal, including industrial, commercial, and residential. If you need assistance with a large-scale operation or any type of scrap metal at all, we can help! We are committed to providing excellent customer service, which is why our business has become an industry leader over the years. With generations of experience in the industry, we know how to make sure that your scrap metal is recycled properly and you're getting top dollar for it. We offer great customer service that's second to none, and we are always ready to go above and beyond to meet your needs.
